COUNTY

COVID-19 UPDATE

As of March 12, 2020 at 4:00pm there have been no confirmed cases of COVID-19 in Spalding County. The City, County, School System, EMA and Public Health entities have all met to discuss unified responsive actions that will take place if needed. The preventative measures you should be taking are: - - - - -

WASH YOUR HANDS...

with soap and warm water for at least 20 seconds. Use a hand sanitizer that contains at least 60% alcohol if soap and water are not available. Cover all surfaces of your hands and rub them together until they feel dry.

AVOID TOUCHING...

your eyes, nose, and mouth with unwashed hands.

AVOID CLOSE CONTACT...

with people who are sick.

CALL YOUR HEALTHCARE PROVIDER IF:

- you feel sick with fever, coughing or trouble breathing
- you have been in close contact with a person known to have COVID-19
- you recently traveled from an area with ongoing spread of COVID-19

DO NOT GO TO THE DOCTORS OFFICE

Avoid going to your doctor's office, the emergency room and the Health Department without calling first. Your healthcare provider will have special instructions regarding how they can assist you.

We are continuing to monitor the situation with frequent meetings to ensure the health and safety of our citizens.
