

Financial Report Message

We are pleased to present the City of Griffin's Popular Annual Financial Report (PAFR) for the fiscal year ended June 30, 2011. This is the City's fourth PAFR, and is formulated as an easy to read version of the City's Comprehensive Annual Financial Report (CAFR) that we publish on a yearly basis.

The Comprehensive Annual Financial Report (CAFR) is a detailed account of the City's financial statements, notes, schedules, and statistics. The CAFR was prepared in conformance with Generally Accepted Accounting Principles (GAAP) and was audited by Mauldin, Jenkins, Certified Public Accountants, LLC, 439 Mulberry Street, Post Office Box 1877, Macon Georgia 31202-1877.

The CAFR received an unqualified opinion. A copy of our CAFR can be found on the City's website under Departments, Administrative Services, Finance, Financial Reports

<http://www.cityofgriffin.com/Departments/AdministrativeServices/Finance/FinancialReports.aspx>.

The Popular Annual Financial Report (PAFR) provides citizens with an overview of the City's revenues, expenditures, and general information, in a simplified interpretation of the CAFR. The PAFR is prepared by the Department of Administrative Services Finance and Accounting staff and is not obligated to be audited under GAAP rules.

Thank you for your interest in the City of Griffin's government and its functions. Please feel free to comment or offer suggestions on the PAFR to Markus Schwab, CPA.CITP, Director of Administrative Services, email mschwab@cityofgriffin.com.

Respectfully submitted,

Kenny Smith
