### SUPERVISORY CONTROLS

The Chief Technology Officer assigns work in terms of very general instructions. The supervisor spot-checks completed work for compliance with procedures and the nature and propriety of the final results.

### GUIDELINES

Guidelines include city employee policies, network policy, and technical documentation policy. These guidelines require judgment, selection and interpretation in application.

### **COMPLEXITY/SCOPE OF WORK**

- The work consists of varied help desk support duties. Frequent changes in IT standards and methods contribute to the complexity of the position.
- The purpose of this position is to administer helpdesk support for city end-users. Success in this position contributes to the efficiency and effectiveness of various city operations.

### **CONTACTS**

- Contacts are typically with co-workers, other city employees, vendors, and members of the general public.
- Contacts are typically to provide services, to give or exchange information, or to resolve problems.

### **PHYSICAL DEMANDS/ WORK ENVIRONMENT**

- The work is typically performed while sitting at a desk or table or while intermittently sitting, standing, walking, bending, crouching or stooping. The employee frequently lifts light and occasionally heavy objects, climbs ladders and uses tools or equipment requiring a high degree of dexterity.
- The work is typically performed in an office, computer room or outdoors, occasionally in cold or inclement weather.

### **SUPERVISORY AND MANAGEMENT RESPONSIBILITY**

None.

### **MINIMUM QUALIFICATIONS**

- Bachelor's degree in a related field and/or sufficient experience to understand the basic principles relevant to the major duties of the position, usually associated with two to four years of experience.
- CompTIA A+ and CompTIA Net+ certifications
- Ability to work occasionally afterhours and on weekends.
