

THE CITY OF GRIFFIN HOSTS A GEORGIA ADOPT-A-STREAM WORKSHOP!

AN ADOPT-A-STREAM VOLUNTEER CERTIFICATION CLASS

What: Adopt-A-Stream Chemical Monitoring Workshop

When: Saturday February 4th, 2017 from 10 am to 1 pm.

Where: Spalding County Extension Office – 835 Memorial Drive, Griffin 30223. Located next to the Spalding County Senior Center.

In partnership with Spalding County Extension, City of Griffin is offering a free workshop where participants learn all about where water comes from and how it is affected by human impact. Participants will learn how to determine the quality of the water using chemical monitoring methods. Prior experience or knowledge not required. Great for teachers, students, Boy and Girl Scouts, 4-H'ers or anyone interested in water and nature. There will be a short certification exam at the end of the workshop. Students 18 and younger must be accompanied by an adult.

Bring a sack lunch and a water bottle. Wear old clothing, and shoes that you do not mind getting dirty or wet. Bring your water boots and waders if you have them.

**To RSVP or for more information contact Alexa Robinson at City of Griffin Stormwater
770-229-6424 ext. 253 or arobinson@cityofgriffin.com**
