

Notes Transcribed from report delivered by Mr. Carl Pruett from the SOAR (Supplier Opportunities Aerospace Resources) event held on 6 – 8 March 2018 in Macon Ga.

Wednesday, March 7th. SOAR Event – Mid Ga. State College, Macon. Attended by Mr. Carl Pruett & Mr. Leon Stolz on behalf of the Griffin Spalding County Airport Authority.

Met & spoke with many airplane related businesses and manufacturers of aircraft products. Left our brochures with most – told about our new Airport and invited them to inquire about possible business there.

UGA – Had a booth on attracting small business.

Tech – Had a booth on Safety & Occupational Health in the Work Place.

Greene Machine – Provide hand milled airplane parts – mainly aluminum, for civilian and military use – from Macon.

NDOA – National Defense Industrial Association – helps with defense contracts & doing business with the military.

ASAP – silicones, tapes, adhesives – bonding for aircraft mfg. Used on the space shuttle.

Heartsfield – met with Loretta Smith – told her about new Griffin Airport – Leon to follow up.

Universal Robot – builds robots for production. NY company. Leon will contact.

I.O.A. Insurance of America

Troax – Fencing & security company – build to secure anything. A Nashville Company.

Top Flight – Dallas, GA – CNC machining & aircraft structure repairs.

Camp – Helps minority & DBE connect with contractors – Atlanta.

S.E. Trade – helps small business compete with imports.

Triumph Interiors – Atlanta – airplane interior builders – work with ??? (unreadable)

S.F.S. – Southern Fluid Systems – parts & supplies aircraft – Atlanta.

Philatron – aircraft wiring & cables – California.

Capture 3D – North Carolina firm 3D computer construction of parts (3D Printing).

NOTES: Not very many vendors there, but we spoke with most all – told them about our new airport – handed out our information. Leon got cards from all and will make follow up calls & contacts.

Carl Pruett
